

Terrestrial Animal Health Standards Commission Report September 2015

GLOSSARY

ACCEPTABLE RISK

means a risk level judged by each Member Country to be compatible with the protection of animal and public health within its territory.

APPROPRIATE LEVEL OF PROTECTION

means the level of protection deemed appropriate by the country establishing a sanitary measure to protect human or animal life or health within its territory.

STAMPING-OUT POLICY

means a policy designed to eliminate an *outbreak* by carrying out under the authority of the *Veterinary Authority* the following:

- a) the *killing* of the *animals* which are affected and those suspected of being affected in the *herd* and, where appropriate, those in other *herds* which have been exposed to *infection* by direct animal to animal contact, or by indirect contact with the causal pathogen; ~~this includes all susceptible animals, vaccinated or unvaccinated, on infected establishments;~~ *animals* should be killed in accordance with Chapter 7.6.;
- b) the destruction of ~~their~~ carcasses and animal products, as relevant, by rendering, burning or burial, or by any other method described in Chapter 4.12.;
- c) the cleansing and *disinfection* of *establishments* through procedures defined in Chapter 4.13.

CASINGS

means bladders and intestines which, after cleaning, have been processed by tissue scraping, and defatting and washing, and have been treated with salt or dried.

OIE STANDARD

means a text that has been formally adopted by the OIE World Assembly of Delegates, published by the OIE, and that describes requirements, recommendations, criteria, specifications and characteristics that should be used consistently to ensure the improvement of animal health, veterinary public health and animal welfare worldwide.

OIE GUIDELINE

means an OIE publication that provides advice to improve animal health, veterinary public health and animal welfare worldwide and that has been endorsed by an OIE Specialist Commission or the OIE Council, but has not been formally adopted by the OIE World Assembly of Delegates.
